RE: Enthusiastic and Hard-Working Full Stack Engineer.

Dear Hiring Professional,

Please accept this letter as an expression of my interest in the Full Stack Engineer position (Dot.Net, AWS). I am a highly motivated and progress-focused Full Stack Developer with a long-standing background in this industry. With a track record of initiative and dependability, I have devised strategic initiatives which I believe will prove valuable to your organization.

Throughout the course of my career, I have perfected my designing integrated computer systems and developing IT performance metrics abilities. I am a capable and consistent problem-solver skilled at prioritizing and managing projects with proficiency.

In my previous role, I contributed problem-solving, team-building, and developing system engineering architecture toward team efforts and business improvements. I am progressive minded and in tune with new developments in my field. I have proven to be effective and collaborative with strong motivation talents. I enjoy collective brainstorming sessions which all me to coordinate activities to achieve a common goal.

Please take a moment to review my attached resume and credentials. I would greatly appreciate the opportunity to speak with you regarding my candidacy.

Thank you for your consideration.

Sincerely,
Pritam Shinde
